Standard Line Generators

Technical Specification – MLG-0100/0102/0104

Fan Angle (°, Full Angle)	MLG-0100	3
	MLG-0102	12
	MLG-0104	0.25
Typical Line Thickness @ 1M (mm)	MLG-0100	1.5
	MLG-0102	1
	MLG-0104	1
Typical Line Length @ 1M (mm)	MLG-0100	50
	MLG-0102	250
	MLG-0104	400

Physical Specification

Length (mm)	16.0
Diameter (mm)	11.0/M10x0.75
Weight (g)	5
Material	HE30 Aluminium
Finish	Black Anodised

Line thickness & length figures are for reference only and may vary depending on diode w avelength and divergence angles
Other fan angles may be available – contact our sales department for further information
